GUARANTEE

We ship only live, healthy plants and we guarantee them and our other material to arrive in good condition. We cannot guarantee to replace plants that die.

TERMS

Cash before shipment or at time of delivery. F.O.B. Grand Junction.

We have the oldest and largest commercial planting of cultivated blueberries in the Middle West. Purchase your planting stock from us and receive the benefit of our experience. It is unwise to take a chance on unknown or questionable nursery stock, to set a plantation of blueberries that will last 75 to 100 years.
